A Hindi film dubbed by Bollywood stars is a full-length Hindi movie, made for a regional market or a global market. The genre is a hybrid of Bollywood and local cinema. The term "Hindi dub" or "Hindi dubbed" is used by fans to refer to the unofficial, yet widespread, practice of dubbing and re-dubbing local films into Hindi. A dubbed Hindi film is made to appeal to the Hindi-speaking audience in India and the region by including song and dialogue from Bollywood movies. They are made to appeal to the local market, not necessarily to the worldwide market.Q: Color scheme for CentOS 5.4 / XFCE / Python I've got XFCE installed on a CentOS 5.4 server, and I like to change the default color scheme to a dark one. The color scheme that I want to use is called "Philosopher". The color scheme file is here, which I would install, but XFCE doesn't appear to support it. Any ideas of how to do this? A: I found that a nice way to do this was to install gtk2-themes-standard and gtk-xfce-engine-theme-standard. Then I edited my ~/.gtkrc-2.0 file to look like: gtk-color-scheme = "philosopher" Effects of alpha1-adrenoceptor antagonists, cilazapril and benazepril, on alcohol-induced acute pulmonary edema in rats. The effects of cilazapril and benazepril, new angiotensin-converting enzyme inhibitors with potent angiotensin II (AII) receptor antagonists activity, on acute pulmonary edema induced by acute administration of alcohol to rats were studied. In rats subjected to intrat
