Akil Kadar: Truth, or how to find a way out of the impasse Al-Asigar states that there are three kinds of lies: lies told by liars themselves, non-liars, and those who do not know about these lies. He says that there is no difference between a person who knows about a lie, a non-liar who does not know about it, and a non-liar who does not know about it, but who is told by a liar that he knows about it.
